What do you do on a date anyway? What makes a date different from just spending time together normally?

RIN-CHAN!
I'm sorry! Did you wait long?
I just got here.
Really?
I can't believe that you "just got here", Rin-chan.

That's right! I couldn't wear it all the time!

This feels good
Hey... Rin-chan, I've felt a little weird since this morning.
It is.
Is that so?
We haven't been holding hands in the same way as we used to.
Are you sleepy?

When Rin-chan is close, my heart beats a little faster.
Hinata,
let's go.
